### We Want To Include You!

### JUST THE AVERAGE JOE. (NOT REALLY)

Are you looking for a speaker who's not like all the others?

Meet Joe Rhea, notable author—otherwise known nationwide as a sharp, witty and spirited speaker. He delivers innovative concepts for a fresh, strong take on life's unexpected loss, trying times and heartbreak. That includes all of us, universally.

Join the thousands in audiences who applaud Joe's real-life insights on how to be the best person, employee, boss, parent, child and individual despite adversity, every day adversity.

He'll make you feel like his talk is a warm conversation. That's a promise!

(Joe Rhea is a mobile quadriplegic from a paralyzing sports injury when he was fourteen.)

(He is a top-tier speaker for businesses and institutions all across the U.S.)

*"The truth is, there is not a single person on this planet that I know of who has not or will not at some point experience physical or mental pain. Today, I prefer to share my story with the goal of helping you realize that you can endure tremendous hardships and disappointments and all the while still be a decent, kind and vital human being. That's what my speaking engagements are about."*  
—Joe Rhea
